MEMORANDUM FOR: Chief, Current Support Staff, ORR

SUBJECT : Commendation by the Director, National  
Indications Center

1. The Director, NIC, in his memorandum to the Director, ORR, dated 1 April 1966, is warmly enthusiastic in expressing his appreciation for the support provided to the National Indications Center by St/CS. A copy of that memorandum is attached.

2. Although addressing himself to St/CS, as the direct contributor to the NIC, he recognizes the underlying cooperation and initiative of all ORR components and individual analysts. He also points out the consistent excellence, timeliness and professional sophistication of ORR's research analysis and reporting as reflected in its contributions.

3. I want to add my appreciation to this earnest and well deserved tribute. Every person in ORR can take pride in this definitive recognition of an obviously superior performance.
